

## Truck wheel bearing locknut sockets

- Black Armor Coating™ protects sockets against rust and corrosion for increased product longevity
- 10 year warranty
- 3/4" square drive for manual tools
- High strength steel

**Several kit options:**

- 6pt kit
- 8pt kit
- Truck wheel service kit (most popular from 6 and 8pt kits)
- Full kit (complete 6pt & 8pt kits)

Stamped size and point for easy socket identification
